

Matthew Bilic claims his spot in the Australian School boys team

The Sydney United club has continued its successful production line of talented local players with the selection of 17 year old “ **Matthew Bilic** ” into the Australian school boys team. After a strong 2011 season with the Under 20s side, and several appearances in first grade, it was at the Adelaide championships that Matthew earned his selection. Matthew will be making his debut for the Australian school boys in the upcoming tour of United Kingdom and Ireland in January.

A Sydney United Junior since the age of 11, Matthew has developed into a talented and skilful player. His favourite positions are left wing and left back. The club is very proud of Matthew’s achievement and wish him all the best for the upcoming UK tour.

Matthew will be fundraising for the tour and any donations will be greatly appreciated. Please contact Peter on pbilic1@bigpond.com or 0419 694 389 to make any pledges.
