

Welcome to the Sydney United FC Academy.

After some considerable planning and consultation with our Technical Director and coaching staff, the SUFC Academy has been established with a mission to provide a professional Football environment with highly qualified coaches.

The aim of the SUFC Academy is to develop each junior player to their full potential and to progress them through the Premier Youth League.

Our focus is on age groups **9, 10, 11** and **12**. The SUFC Academy will implement the Skill Acquisition Phase of the FFA Curriculum. The objective is to prepare junior players with a sound technical base and game awareness.
