

SYNTHETIC SURFACE PROPOSAL

Sydney United is calling on all it's friends and supporters who are members of King Tomislav Croatian Club to please attend the King Tomislav AGM this Sunday at 1:00pm.

Sydney United FC will formally put forward a proposition to the Board of King Tomislav requesting funding assistance for the installation of a synthetic surface on SUFC main field.

The Board of King Tomislav will ask it's members to vote on the proposal and therefore we urge all members who are eligible to vote at the AGM to come and support SUFC efforts in securing a synthetic pitch.

United we stand.
