

Tomislav Mijic called up for Australian U19 CHS side

Sydney United 17 year old defender Tomislav Mijic has reached a milestone with his selection in the Australian schoolboys under-19's side. After an excellent 2010 season with Sydney United under 20's and various schoolboy tournaments, it was at the National Championships in Melbourne that Mijic made his mark and earned his selection. He will be making his green and gold debut in the upcoming China / Japan tour.

A Sydney United Junior since the age of 6, Tommy has developed in to a very talented and no nonsense footballer. His favoured positions are centre back and left back. The club is very proud of Toms achievement and wish him all the best in the upcoming Asian tournament.
