

## Ante Drazina signs with Hertha Berlin

Sydney United 18-year-old defender Ante Drazina signs with Germany's 2.Bundesliga club Hertha Berlin. Ante started his football at Sydney United when he was 4 years of age, made his way through the ranks and was the captain of our PYL under 18 side this year. A DVD was sent to the German club a few months ago and the young central defender was asked to trial.

They liked what they saw and he was signed on a three year deal. Ante stayed in Germany and is currently playing in the Bundesliga youth league for the Berlin club.

We are extremely proud of his achievement and wish Ante the very best in his football career.
