

## Sydney United announce new coach

Sydney United FC are proud to announce the appointment of Jean-Paul de Marigny as the Head Coach of first grade and PYL Technical Director for the upcoming season. After an absence of a few years the former NSWIS and Australian under 17's coach is back at Edensor Park where he will take control of the first team and restructure the Youth development operations.

*"I am very excited to be part of the club once again and I'm looking forward to the challenge ahead. My plan for first grade is to build on the good work this team has achieved over the last couple of years and take them one step further.*

*However, the restructuring of our Youth development program is the first item on the agenda. We are all aware of the history of this club and the players it has produced over the years. My job is to re-establish Sydney United as the premier player development club in the country."*

We wish JP, the players and all our coaches a rewarding upcoming season.
